

Exercer sa pensée critique

des étapes fondamentales

+

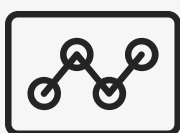

ANALYSER ET PROBLÉMATISER

Poser des questions

Quelle est la situation ? Quels sont les éléments qui la composent ? Quelles dynamiques sont en jeu ?

+

ÉMETTRE DES HYPOTHÈSES

Chercher des explications

Recenser, sélectionner et évaluer les sources d'information, les corroborer, explorer les alternatives, mobiliser des critères de la discipline, soumettre à l'épreuve des faits, tenir compte de la complexité

+

ÉLABORER DES JUGEMENTS

de façon nuancée, contextualisée

s'appuyer de raisons valides, faire preuve d'ouverture à modifier ses jugements, en ré-évaluer ses arguments à la lumière de nouvelles preuves

+

ARGUMENTER

Discuter, dialoguer

s'ouvrir à la pluralité des perspectives, justifier ses arguments de façon juste, honnête et rigoureuse

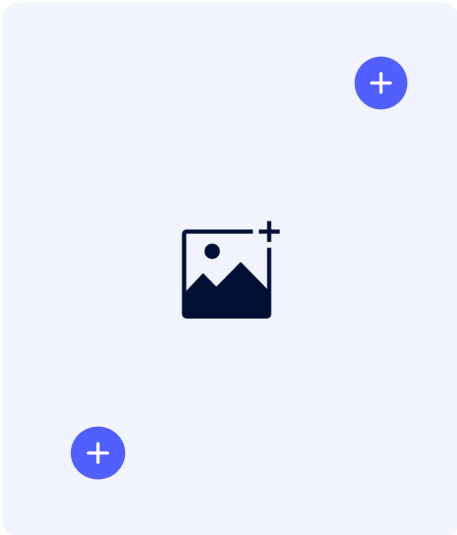

+

RÉFLÉCHIR À SA DÉMARCHE

à ses croyances, ses a priori

se questionner sur ses positions et arguments, son ouverture et son écoute, sa situation et celles des autres, à ses intentions
