

**Job Offer**  
**Job ID 2018-13-A**  
**August 15, 2018**

## **TWO (2) TENURE-TRACK FACULTY POSITIONS IN COMPUTER SCIENCE**

**The Department of Computer Science and Engineering, University of Quebec in Outaouais (UQO), invites applications for two (2) tenure-track positions in computer science, at the rank of assistant/associate professor, effective December 1, 2018.**

Applicants must have a PhD in computer science or a closely related field, with a research focus in one or more of the following areas: Big Data, cybersecurity, advanced machine learning, multimedia, bioinformatics, social networks, e-commerce or system integration. However, candidates with a strong background in other related areas will also be considered.

The successful candidates must demonstrate potential for excellence in research and teaching, and have the ability to supervise graduate students. Service to the university and the community is expected.

UQO is a French-speaking institution. Applicants are expected to have a working knowledge of French for teaching purposes.

**Place of Work:** Gatineau

**Salary:** Commensurate with qualification and experience  
(According to the existing collective agreement)

Applicants should submit a cover letter, a complete Curriculum Vitae, a maximum of four most significant published papers and contact information for at least three referees (name, address and e-mail address), by **September 7, 2018** to:

Madame Nadia Baaziz, directrice  
Département d'informatique et d'ingénierie  
Université du Québec en Outaouais  
Case postale 1250, succursale Hull  
Gatineau (Québec) J8X 3X7

Email: [nadia.baaziz@uqo.ca](mailto:nadia.baaziz@uqo.ca)  
Phone: 1 819 595-3900 ext.1606

Note:

All qualified candidates are encouraged to apply; however, in accordance with Canada's immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

Université du Québec en Outaouais subscribes to equal employment opportunities and employment equity programs, and welcomes applications from women, members of visible minorities, ethnic minorities, Aboriginals and people with disabilities.
